ORDER

16 The Court has received a notice of settlement between Plaintiff and Corizon Health
17 Care Inc. only. (Doc. 101). The Court appreciates the parties formally filing the notice of
18 settlement.

19 The parties are reminded that the Order setting final pretrial conference states:

20 IT IS FURTHER ORDERED that the parties shall keep the Court
21 informed of the possibility of settlement and, should settlement be reached,
22 the parties shall promptly present a Stipulation and Order of Dismissal for
23 signature by the undersigned. Mere Notice of Settlement or notification by
24 phone or e-mail of settlement shall not suffice to vacate the trial date, nor
excuse the parties from being ready and able to proceed with trial at the time
and on the date set for trial. Filing a notice of settlement shall not prevent
the assessment of jury fees notwithstanding Local Rule Civil 40.2(c).

(Doc. 83 at 4).
